VBPS gives Kudlak top rating, extends contract, ups salary

By Rosemary K. Oztman
 Independent Editor

On Monday, after a second closed-door session to evaluate the work of School Supt. Pete Kudlak, the Van Buren Public Schools Board of Education voted in open session to rate Supt. Kudlak as “Highly Effective,” the top rating, for the calendar year January-December 2022.

The board also extended his contract to June 30, 2028 and gave him a raise in his 2023-24 school year salary to \$165,000 to begin in July. His salary is now \$159,000.

His contract had been for three years, with extension of a year each time it came up. Now it has been extended to a five-year contract.

The “Highly Effective” rating is at the top of the chart on the multi-page Michigan Association of School Boards’ evaluation form. The board also gave him the top rating in its 2019, 2020, and 2021 evaluations.

Also during Monday’s meeting, the board:

- Approved the resignation of BHS Head Football Coach Jermain Crowell as of Dec. 1 and Building and Grounds employee Diane Faison as of Nov. 29; and the termination of Building and Grounds employee Lenoye McBride as of Dec. 5;
- Approved hiring Belinda Hunter as a paraprofessional at Rawsonville Elementary School as of Dec. 12 and Kelly Doty as a part-time secretary at Savage Elementary School as of Dec. 19;
- Approved the retirement of teacher Catherine Dronzejko of Owen Intermediate School after 20 years of service and approved the employment of Taura

Sadvery as a STEM teacher at Owen as of Dec. 5 and Peyton Harding as an English teacher at Belleville High School as of Dec. 19;

- Approved the annual summer tax resolution that states the district will continue to collect 100% of summer taxes. Director of Finance Priya Nayak said if the district does not levy summer taxes, it does not have enough fund balance to operate without revenue until the first state aid payment of the school year in October;

- Heard Plante Moran Cresa consultant Rob Kakoczki give information on the bids for a civil engineer for concrete replacement at the elementary schools that will be voted on at an upcoming meeting. Low bidder of two for civil engineering was Spalding DeDecker at \$69,300. This would be funded from the sinking fund and concrete work done next summer. The other bidder was Hennessey Engineers at \$120,000. The work includes surveying a select area at each site, design and bid assistance, and construction administration;

- Approved the Schools of Choice program participation during the second semester of the 2022-23 school year and will offer an unlimited number of openings at all schools. When board treasurer Simone Pinter asked how many Schools of Choice students the district has, nobody had the information, but it was estimated that 10-12% of all the students in the district come through Schools of Choice. Supt. Kudlak said the district gets a chart each spring denoting how many Schools of Choice students are in each grade;

- Set the school board organizational meeting for 7 p.m. Tuesday, Jan. 17, 2023 at the BHS Commons. This is the day after Martin Luther King, Jr. Day;

- Heard Director of Curriculum Jeff Moore say his department is working

Miller said it would be hung in her new office in Lansing.

VBT signs with Growth Works for Youth Diversion program

By Rosemary K. Oztman
 Independent Editor

The Van Buren Township Board of Trustees voted unanimously to sign a memo of understanding with Growth Works to administer a Youth Diversion program for first-time offenders.

Van Buren Township Deputy Police Chief Joshua Monte told the board at its Dec. 6 meeting that this is an opportunity for the township’s youth.

Laura Reiners of Growth Works said

they can help youth as early as age 11 and through age 17, giving kids the opportunity to stay out of the legal system.

She said this is at no cost and they will be working with the police department and school resource officer to get kids back on the right path. Reiners said she hopes it is a model for other communities, especially those within the Conference of Western Wayne.

“This is the perfect program for youth,”

she said, noting it hopefully will be operating out of the 34th District Court in Romulus. She said there will be thorough assessments of the youth and something like being truant from school can be a call for help.

"We used to send our kids downtown [to circuit court] and it took six months for a court date and then they get a piece of paper and a fine," said Township Supervisor Kevin McNamara.

Reiners said it takes eight to ten months downtown and by then the youth doesn't connect the punishment with the offense. "We can get someone in the same day here."

"We have to thank the judges. Without them this program wouldn't exist," Supervisor McNamara said. He said the Growth Works program has 80-90% rate of success.

The memorandum of understanding said the goal of the Youth Diversion Program is "to improve patterns of behavior in

on providing Schools of Choice digital applications, which would be easier for all and be available the first of the year;

- Heard Karen Johnston, the director of special education, announce she is resigning to take a new job in another district. She had been with the district for 18 years;

- Heard Kaden Tubbs, vice president of the student council, say the BHS student council members will present at the state conference in Grand Rapids on the BHS program called Toys for Kids. He said this is to benefit students at BHS and the elementary schools. He said they adopt two kids from each school and fulfill their wish lists as much as possible. The board applauded his report;

- Heard Supt. Kulak recite a list of donations from members of the community, including the BYC which was "super generous" in providing blazers for the football team. Kudlak noted, "It makes a difference how you show up," adding the blazers can also be worn to apply for a job. The BYC also filled up the board room with presents for 15 families, which they have been doing for five years, "an impressive number of gifts." He said Lighthouse Ministries donated \$1,400 to zero out lunch bills owed by students; and

- Heard board secretary Darlene Gerick say that the biography of retired School Supt. James Richendollar is going into a second printing. She said a book signing has been set for noon to 4 p.m. on Jan. 7 at the Belleville Area District Library.

Tammy Dohring, at left, was promoted to Deputy Community Services Director at the Dec. 6 meeting of the Van Buren Township Board of Trustees. At right is Anne Duncan who was hired as Senior Programmer, a new position. Behind them is their supervisor, Director of Community Services Elizabeth Renaud.

minor offenders through alternatives to the criminal justice system, while meeting community standards and expectations of victims and/or complaining parties."

The services provided by the program are funded through an agreement between it and the Conference of Western Wayne, but funding is only available to cover the cost of services for residents of Wayne County.

Van Buren Police will make referrals to Growth Works for lesser-category first offenses including: status offenses (like possessing marijuana and alcohol), assault, disorderly conduct, communicating threats, and trespassing.

Those excluded from participating include: if the case under review is a felony-level offense, the victim seeks restitution, the victim wants the offender criminally prosecuted, parent or guardian refuses participation in the program, youth is on formal probation through Third Judicial Circuit Court, and youth is over 17 years, 6 months of age.

The board also approved a three-year memo of understanding with the Van Buren Public Schools for one full-time School Resource Officer through Dec. 31, 2025. The schools will reimburse the township for 75% of wages under the police collective bargaining agreement.

The three-year total cost is \$381,879.23, with the schools paying \$220,731.26 and the township paying the remaining wages and fringes of \$138,977.50.

McNamara said the SRO will be Officer Ryan Bidwell, who served as SRO in the past when Van Buren Township furnished an officer for the school district. Bidwell will work with Belleville Sgt. Kris Faull a longtime SRO at the high school.

Deputy Chief Monte said the SRO will

be utilized as a funnel for Growth Works throughout the public school system to try to identify those who are troubled when the kids are young and impressionable.

In other business at the Dec. 6 meeting, the board:

- Presented a proclamation to honor 10 years of dedicated public service by Trustee Reggie Miller, who has just been elected as a state representative. Supervisor McNamara said they searched the records and found Miller is the only person from Van Buren Township ever to hold state elective office;

- Approved budget amendments and personal service agreements for Tammy Dohring as the new Community Services Deputy Director at a salary of \$75,190, as approved during the 2023 budget hearings, and Anne Duncan as Senior Programmer, a new position with a salary of \$55,478;

- Approved restoration paint work for a 2008 fire truck, as recommended by Fire Chief Dave McNally. Quality Collision Services in Greenville will repair rust and paint work to the fleet's oldest engine at a cost of \$26,460. Chief McNally said this will aid in extending the service life of this vehicle until 2027 when it is due to be replaced and will aid in retaining its resale value. McNally said work will be done by the end of 2022 and the truck is already in Greenville;

- Approved the second reading and adoption of an ordinance to rezone a parcel at 42060 Ecorse Rd. from M-T, Industrial Transportation, to M-2, General Industrial, with conditions. This is the site of the new EV battery plant;

- Approved a resolution to authorize applying for a \$350,000 DNR Michigan Spark Grant which will require a township

match of \$309,645 for the French Landing Park Accessible Dock and Kayak Launch Project, estimated at \$659,645;

- Approved a resolution to authorize applying for a \$400,000 DNR Michigan Spark Grant which will require a township match of \$467,000 for the Van Buren Park Beach Accessibility Improvement Project, estimated at \$867,000. When asked about the University of Michigan lease on the building near that site, Community Services Director Elizabeth Renaud said the lease expires at the end of next year and the township has been meeting with U of M. McNamara said that area needs shoring up and they will ask U of M to provide the match. "It will work," he said;

- Approved the personal service agreement for Public Safety Administrator Casey Smidtke at a salary of \$65,000, as approved during the 2023 budget hearings;

- Approved the Post Employment Medical Expense Reimbursement Plan, with catch-up deposits in the amount of \$1,430. The update effects 11 accounts for the effective contribution dates of 2021 at 3.3% and 2022 at 3.7%, the annual designated percentages determined by 2018 Public Act 477. Going forward all contributions will increase by the annual designated percentage determined by the Public Act;

- Approved a memorandum of understanding with the Greenbriar Homeowners Association regarding the road improvement project under a special assessment district;

- Approved the appointment of Priya Nayak to the Local Development Finance Authority with a term to expire Aug. 12, 2026. Nayak is the new finance director in the Van Buren Public Schools, taking over the unexpired term of Sara Cortese, the previous finance director who resigned from the school district and now works in the Dearborn schools. Nayak is the appointed representative to the LDFA from Van Buren Public Schools;

- Approved the supervisor's appointment of Jill Yob to the Environmental Commission with a term to expire Oct. 1, 2023;

- Heard Supervisor McNamara announce that a survey is being taken to find out what the residents think about the curbside pickup of trash, recycling, and yard waste, which expires as a free service from WM (Waste Management) in July of 2023. The township will be bidding out pickup and wants residents' opinions, he said. Surveys are available on the township website at vanburen-mi.org and hard copies available at township hall;

- Heard McNamara answer a question from the audience on how the board was going to replace Trustee Miller after she moves on to Lansing. McNamara said the board has 45 days before she leaves and 30 days after she leaves to replace her on

Public still not given information on 'coach situation'

School Supt. Pete Kudlak, at the Nov. 28 school board meeting said the "coach issue" would be discussed at the next school board meeting on Dec. 5. It wasn't.

He and board members said they wanted the Nov. 28 school board meeting to be "about the kids," so it was. But the answer to parent Todd Mears question "to clarify the coach situation" was never answered publicly. When asked about it on Monday after the board meeting, Supt. Kudlak said he forgot. He sent us the Michigan High School Athletic Association email on the subject.

On Nov. 21 the MHSAA emailed BHS Athletic Director Joe Brodie to inform him that this is the second violation of Undue Influence that has been confirmed in the school's football program, following the April 8 self-reported violation. This second violation within the school's probation period during 2022-23 called for extension of probation to the 2024-25 school year.

Football Coach Jermaine Crowell was prohibited from coaching during the 2022 tournament and shall not be permitted to coach at any MHSAA member school in any sport through the 2024-25 school year. He was suspended by the school and resigned Dec. 1. He still works for the district in security, but is looking for a new job, Kudlak said.

MHSAA said since the violation doesn't involve any current BHS students or their eligibility status, the team was able to continue in the football playoffs, which it won. Any more violations and BHS is out of MHSAA tournaments altogether.

EXTRA THINGS I KNOW

...By Rosemary K. Otzman

On Monday a volunteer picked up part of the huge Toys for Tots collection in the hallway in front of our office. She couldn't get all the toys in her car, so we will have the final pickup on Friday, Dec. 16. We were able to empty some of the boxes and fold them away for next year

A Belleville senior citizen called to voice his frustration with trying to get the flu shot. He said he thought he could walk into CVS, where he gets his prescriptions, and get the shot, but that didn't work. He said he finally had to make an appointment for the shot. He said his being able to get the shot was held up by him not having a computer, except for the one he uses at the library.

He said they talk about people not getting the shots and then make it harder than it should be to get one.

While I was waiting in the "library" at the Van Buren Township Downtown Development Authority headquarters at Harris Park during the DDA's closed-door session on Dec. 6, the lights went out. Just in the room I occupied, not in the room where the DDA was meeting. There's glass in the doors and I could see.

I got up and moved around and the lights went back on. I had been reading a magazine without much movement so the movement-sensitive light system turned off the lights.

At a recent Belleville Area District Library meeting, there was a brief discussion about how the timing on the lights in the study room had to be adjusted because if people are studying and not moving, the lights go off.

NOT ONLY DO THESE NEW FITBITS WITH SANTA-TECHNOLOGY TELL US STEPS TRAVELED, HEART RATE, AND OXYGEN LEVELS, IT RELAYS TO SANTA IF YOU'VE BEEN GOOD OR BAD, NAUGHTY OR NICE ... WELL ... YOU KNOW THE SONG..

My cousin had held off on playing pickle ball since COVID hit, but his friends on the pickle ball court finally convinced him to come back and play. He did last Wednesday. And, fell. And, was taken from Haggerty School in an ambulance to St. Joseph Mercy Hospital where it was determined he had broken his hip. On Thursday, doctors put a metal rod in place and on Friday plans for getting out of the hospital were under way. Now he's in rehab in Wayne for two weeks and may be there for Christmas. He really likes pickle ball.

I asked Ken Voigt at the Dec. 5 city council meeting if he was responsible for the Goat Day unit in the Winterfest Parade with live goats. He said he had nothing to do with it, but it was a great surprise. Ken had been behind the goats at Horizon Park last summer and the summer before – along with Randy Brown.

Ann Richendollar said Randy Brown asked them to bring their goats for the parade. She said she and her family brought goats for Belleville Goat Day along with Jim and Donna Budd. The Budds couldn't help with the parade because they were tied up in the football unit, so the Richendollars just brought their goats.

She said they look forward to bringing their goats in again for Belleville Goat Day 2023.

It was noted that children could have seen

Santa three times last Saturday. First, they could have had free breakfast with Santa at St. Anthony Church in Belleville, then munched free cookies with Santa at Cross Country Mortgage on Main Street and then had free pictures taken with Santa at the library courtesy of the Central Business Community. It is unknown if anyone took advantage of all these Santa appearances.

Belleville City Councilwoman Kelly Bates said she had a dental appointment late last week and the staff said they were surprised to see her. They asked her if she had any COVID symptoms and she said she didn't. They asked her if she was sure she didn't. They said they read on the front page of last week's *Independent* that she had COVID. Well, she didn't. I made a mistake. I thought that's what they said, but obviously I was wrong. I apologize.

On Sunday night, U.S. Representative Debbie Dingell during a routine test tested positive for COVID-19 for the first time since the start of the pandemic. Congresswoman Dingell has been fully vaccinated including all available boosters, has minimal symptoms, and will continue to work while self-isolating at home, according to a statement from her office.

Minding Your Business with Bob Mytych

The Belleville Central Business Community presents their last chance for free photos with Santa this Saturday, Dec. 17, at the Belleville Area District Library from noon to 4 p.m. Donations are appreciated. A session with special needs children and adults starts at 11:30 a.m.

Today's paper features a Happy 80th Birthday ad for "Doc" Pinter of Pinter's Flowerland, a family-owned and operated garden center business located on Rawsonville Road. Linsey Pinter-Reott set it all up as her father enjoys the *Independent* each week. We love to be in on the well-wishes and received a collage of photos from her to work with, a sample of the life of someone who has deep roots in our community -- literally. Grandpa Pinter started his business in 1929 as a truck farmer, hauling and selling produce in Detroit as well as to his neighbors and to everyone around him. Today, the business occupies 12 acres on Rawsonville Road and has a retail only location in Redford. Happy Birthday, Doc Pinter. Thank you to everyone who brought unwrapped toys to our office for the Toys for Tots program. We believe we've gathered the most ever this holiday season as our hallway was getting overwhelmed with boxes and bags each passing day. We had so many donations that the pickup team

couldn't load everything in one trip. It's just one more reason why I love our small-town and its people. Thank you, James Otzman, our production manager here who brought the toy donation campaign to our office many years ago. You're on the top of Santa's good list.

Doc's Ice Cream & Coffee in nearby New Boston will be holding Sundaes with Santa, this Sunday, Dec. 18, noon to 2 p.m. It's the final day of the season at Doc's as they're closing until next spring. It's also your last chance to get your Guernsey Farms ice cream fix with seasonal favorite flavors like Caramel Apple, Eggnog, and Grandma's Pumpkin Spice. I tried the Eggnog during the tree lighting event downtown on Dec. 4 and it was great. It complimented the hot refreshments, donuts, horse and carriage rides, carolers, Santa's arrival and other freebies all put on by the Huron Township Historical Society and Huron Township. The township's new light poles with the giant LED snowflakes and tinsel made the downtown sparkle. Oh, and Doc's be open this weekend both days until 8 p.m. Call (734) 606-5328.

The winners of the City of Belleville's Decorating Contest have been given to us and we will be out and about this week to take photos of their homes and businesses. The winners will have plaques presented to them at the next city council meeting on Monday, Dec. 19, and we will feature their photos on next week's front page of the *Independent*. Congratulations!

Belleville High thanks First Missionary Baptist

To the editor:

I wanted to recognize the First Missionary Baptist Church of Belleville for its generous donations to families in need at Belleville High School this past Thanksgiving.

Parishioner Chasity Oliphant organized efforts and delivered enough food to feed seven of our high school families. The baskets included turkey, ham, rolls, veggies, potatoes, dessert, and many other items.

Pastor Dewayne Logwood stopped by to meet some of the building administrators and oversee the donations. Belleville High School is always grateful for the support this community continues to provide.

Anthony Pat Alati

ANTHONY PAT ALATI
(September 21, 1974 – November 20, 2022)
Anthony Pat Alati, age 48, of Dripping Springs, Texas, passed peacefully, Sunday, November 20, 2022, in his home, surrounded by his parents, sister Ann Alati-Richendollar, and his beloved pups. Tony was born September 21, 1974, in Detroit, MI, son of William Pat & Donna Gayle (Brown) Alati. As a young boy, he attended St. Anthony Catholic School. He was a 1993 graduate of Belleville High School. He earned his Bachelor of Geology from Lake Superior State University. He enjoyed working as a Geotech Technician for Stearns in Grand Rapids, MI, before settling in Texas, where he loved working on numerous site projects with Terracon Consulting and Engineering, and where he developed many friends and a strong support system.

Tony loved barbeque, music, and his dogs. He had a big heart, was always a gentleman. He was a true Cancer Warrior. He was humbled by the fact that everything he was going through was going to help others by providing information for cancer research. A few years ago, Tony received some leather-working tools for Christmas. He took to it quick and was often in his workshop practicing and making new things. He enjoyed making leather coasters, mainly artful purses, and bags. When Tony was getting ready to be discharged from the hospital, a priest came to visit and asked him where he was getting his strength from. "My faith, my family and friends" he said.

Tony is survived by his parents William and Donna Alati, sister Ann (Anthony) Richendollar, five nieces & nephews: Megan, Noah, Jack, Mario, and Marley Richendollar, all of Belleville, MI; uncles and aunts: Lola (Joe) Verran, Barbara Merrill, Mary Wilson, and Donald Brown. He had his cherished group of friends including Nate Wilke from college, (Valerie), and good friend Candace Kaizer-Dukes who are now of Colorado. He also leaves his cherished blue heeler Lagoon, and his mini red heeler Busy.

He was preceded in death by his grandparents, Pasquale and Laura Alati, Donald Brown, Sr. and Bobbie Brown.

To honor his wishes, cremation rites have been accorded. A Memorial Mass will be at 10 a.m. on Saturday, December 17, 2022, at St. Anthony Catholic Church, 409 W. Columbia Ave., Belleville, MI, with Father Bryan Shackett as Celebrant. The family will welcome friends from 9-10 a.m. at church. His cremated remains will be privately interred, with his grandparents, at Our Lady of Mt. Carmel Church Cemetery, Temperance, MI. Arrangements by David C. Brown Funeral Home, Belleville, MI (734) 697-4500.

Memorial contributions are encouraged to American Cancer Society for colorectal research, or to a Hospice of the donor's choice. "Though your moon is waning, you have been a light to many."

Bert David Scott

BERT DAVID SCOTT
(June 17, 1964 – November 24, 2022)
B. David Scott was born on June 17, 1964, and passed away at the age of 58, on November 24, 2022, in Wayne, Michigan, with his four children by his side.

Bert David Scott – the man with three first names – only known as Dave to everyone he knew, has a "live each day like it's your last" mantra that gave him a zest for life that made him the life of the party. A master storyteller and advice-giver, he always had an experience to share and lesson to teach to anyone who would listen.

His unconditional love for his children and grandchildren, his friends and family, strangers he met on the street, and Elvis Presley, made Dave a man to admire. He cared about everyone he met in a way that made them feel the most special person in the room.

Dave is preceded in death by his parents, Delia Mae and Clifford Scott; his sister Diane Tabor; and his brothers Fred Charles and Clifford D. Scott.

Dave is survived by his sister Sheila Sexton (Steve) of Belleville, MI; his four children Jeremiah Allen (Kimberly) of Sumpter, MI, Kristina Wright (Robert) of Saint Johns, FL, Taryn Scott (Luke) of Knoxville, TN, Quinton Scott of Toledo, OH; and his three grandchildren Ethan Allen, Lei Lani (Lucy) Wright, and Marley Haun.

We can all celebrate Dave by taking a life lesson from him and remember to live our lives unapologetically and in the fast lane each and every day.

John A. Hermann, DVM

JOHN A. HERMANN, DVM
(June 14, 1969 – December 4, 2022)
John A. Hermann, DVM, a resident of Inkster, passed away on December 4, 2022, at the age of 53.

John was the loving son of John F. and Barbara Hermann, and dear brother of Jeffrey Hermann and Michael (Maria) Hermann. He was the cherished uncle of Andrew, Alex, and Matthew. John was a 1993 graduate of Michigan State University Veterinary Program. He was a mixed animal practitioner, who owned and operated Mobile Vet Clinic. He worked with multiple animal shelters in the area and held low-cost clinics throughout southeast Michigan. John provided excellent low-cost healthcare to many pet owners.

His family received visitors on Thursday, December 8, 2022, at the L.J. Griffin Funeral Home, 7707 Middlebelt Road (S. of Ann Arbor Trail).

John laid in state at 10 a.m. on Friday, December 9, 2022 at St. Michael Catholic Church, 11411 Hubbard, until the time of his funeral mass at 10:30 a.m.

Dr. John Hermann dies in Dec. 4 crash in Van Buren Township

Dr. John Hermann, a well-known veterinarian in the tri-community, was killed Sunday, Dec. 4, in a crash in Van Buren Township.

According to Van Buren Police, Hermann was headed south on Rawsonville near West Huron River Drive when he crossed the centerline and hit another vehicle head-on at around 1:40 p.m. It isn't clear why he crossed the line in the area of Bog Road, police said.

Hermann, 53, of Inkster, died and a 35-year-old Sumpter Township man suffered minor injuries. A 47-year-old Ypsilanti man was also involved in the crash and was not hurt.

Witnesses are asked to contact Sgt. Jeff Stanton at (734) 699-8930.

Hermann ran Mobile Vet Clinic for dogs and cats around Southeast Michigan. He was known for low-cost wellness vaccine clinics he provided for pets.

VBT police, fire called to two-vehicle crash at Rawsonville/Textile

On Tuesday, Dec. 6, at 4:44 p.m., Van Buren Township police and fire departments were dispatched to a vehicle accident on Rawsonville at Textile roads.

Deputy Police Chief Josh Monte said it was a collision between a Ford F-150 and a semi. There were no fatalities, he said.

ORPHAN OF THE WEEK PEEKABOO

HI THERE! MY NAME IS PEEKABOO, OR PEEKA FOR SHORT!

I'm about 6 months old. I was brought to the shelter when I was maybe 8 weeks old. I was super spicy and went to a foster home to be socialized. Well, now I'm a super affectionate and playful gal! Back in August, I started to experience some seizures. After being examined and being put on medication, I haven't had a seizure since then!

There is a possibility that I have epilepsy, but the doctors say I'd have to have a brain scan to find out for sure. Sometimes cats can go several months or years between a seizure. I need to be in a home where I get routine checks with a vet in case my seizures increase in the future. I also need a family that understands how to handle me having a seizure. I would probably do best in a home without babies or toddlers. I really like kids, though! I get along with cats and dogs, but it does take a couple days for me to warm up to them. The more calm and mellow your pets are, the better!

If you are willing and able to take on a kitty like me, please go to friendsofmichigan.org/adoptable-cats to submit an application! I'm spayed, microchipped, up to date on shots, and I'm negative for FIV/FelV.

Correction: City Councilwoman Bates didn't have COVID

Belleville City Councilwoman Kelly Bates did not contract COVID, despite a report in a front-page story in the Dec. 8 *Independent*. Councilwoman Bates said she was absent from the Dec. 5 council meeting because of a death in the family and it was not due to COVID. She said she has never had COVID.

We regret the misunderstanding that led to the false report and apologize for the mistake.

Shawn Fix of Sumpter bound over for trial for planning to kidnap Gov.

By Rosemary K. Oztman
Independent Editor

Shawn Michael Fix, 40, of Sumpter Township is among five men bound over to Antrim County 13th Circuit Court in Bellaire, MI, for trial on state terrorism and gun charges for the alleged role in a plot to kidnap Governor Gretchen Whitmer.

On Dec. 7 they all were bound over for trial in circuit court after the district court judge found probable cause they were involved in the crimes. The arraignment on the information is 8 a.m., Dec. 19.

The proceedings are taking place in Antrim County because that's where Gov. Whitmer's Elk Rapids vacation home is located and prosecutors say the abduction was to happen. Prosecutors say four of the defendants scouted the house and surroundings and there was talk of blowing up a bridge to keep police from responding.

Besides Fix, the other defendants bound over were Eric Molitor, 38, of Cadillac; Michael John Null, 40, of Plainwell; his twin brother William Grant Null, 40, of Shelbyville; and Brian Higgins, 53, of Wisconsin Dells, WI.

All five are facing a charge of providing material support for terrorist acts, a 20-year felony and/or \$20,000 fine. Higgins is the only one not facing the additional charge of carrying or possessing a firearm during the commission of a felony: felony firearm, a two-year mandatory prison sentence to be served consecutively.

Fourteen people, six in federal court and eight in state courts, were arrested in October 2020 and charged with backing the scheme.

The final day of the preliminary exam for these five defendants on Dec. 7 was before 86th District Court Judge Michael Stepka and proceedings were live-streamed on YouTube.

Judge Stepka spoke for almost an hour on Dec. 7, listing evidence brought forward this far in the court proceedings, before announcing his decision to bind them all over to circuit court.

He said he had held three-and-a-half days of preliminary exam on the five cases – Aug. 29, 30, 31, and Sept. 1 – before postponing the final decision until Dec. 7 in order to allow the Attorney General's Office and defense attorneys an opportunity to file written briefs before issuing a decision.

The Attorney General's Office called

two witnesses over three and a half days, including FBI Special Agent Henrik Impola and an undercover agent whose identity is being protected.

Judge Stepka started off with evidence against the whole group of alleged conspirators and then focused in on each defendant, starting with Fix.

He said Fix was leader Adam Fox's second in command and was involved more than anyone else, except Fox. Judge Stepka said Fix was involved in the weapons and plans

for violent terrorism. He said Fix attended the meeting in Dublin, Ohio, where they talked about storming the capital, taking hostages, and kidnapping the governor.

Judge Stepka said on Aug. 1, 2020, Fix hosted a five-hour meeting at his Belleville (Sumpter Township) home to discuss the plot.

Fix gave the group information on how to find the governor's residence and took slow-motion video of the residence and area to help with plans for the kidnapping, Judge

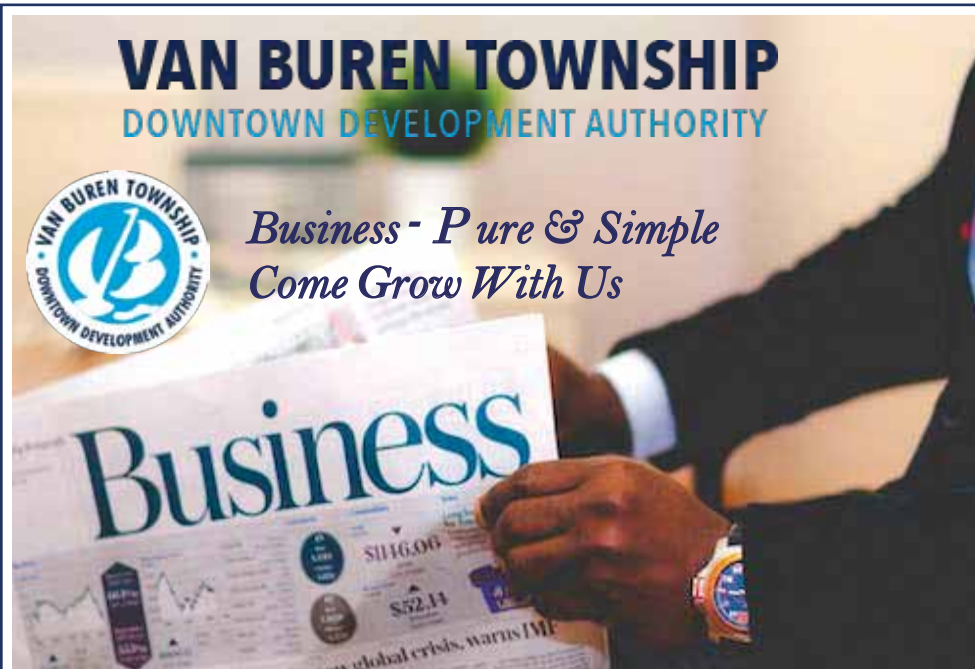

Stepka said.

Adam Fox and Barry Croft, Jr., described as ringleaders, were convicted of conspiracy in federal court on Aug. 23. Ty Garbin and Kaleb Franks earlier pleaded guilty, while Daniel Harris and Brandon Caserta were acquitted at trial in April.

In a related case, Joe Morrison, his father-in-law Pete Musico and Paul Bellar were found guilty in October of supplying "material support" for a terrorist act as members of a group known as the Wolverine Watchmen.

McBride Robotics team falls prey to ‘tech gremlins’ at competition

McBride Middle School’s TerrorBytes, First Tech Challenge, team 14670, ended its matches at the First in Michigan State Championships at 20th place, out of 36 teams in their division.

The TerrorBytes struggled with glitches resulting from static discharges from the field that caused some operation issues

with its robot, said Coach Tim Miller.

“We managed to run some good matches but fell prey to some of these tech gremlins,” Miller said. “The team got to meet and compete with some awesome teams from SE Michigan and had a great time during the two-day event.”

Coaches are David Girard and Miller.

Belleville City Council interviews four for council appointment

By Rosemary K. Otzman
Independent Editor

Four candidates for a vacant seat on the Belleville City Council were interviewed by the four sitting council members at a special meeting on Monday.

They were interviewed in alphabetical order:

- Jeremiah Beebe of Church Street;
 - Tom Fielder of South Street;
 - Julie Kissel of Charles Street; and
 - Randy Priest of E. Huron River Drive.
- Mayor Kerreen Conley pointed out that the person appointed will have a term of one year and, if interested in continuing in the position, would run for election next fall.

The seat is vacant due to the resignation of elected councilwoman Amy Henry, whose term would have expired in December 2025.

Mayor Conley said the selection of the new councilperson would be on the regular meeting agenda of Monday, Dec. 19, as an action item.

VBT DDA holds closed-door session during special meeting Dec. 6

By Rosemary K. Otzman
Independent Editor

The Van Buren Township Downtown Development Authority held a special meeting on Dec. 6 with only one item on the agenda: a closed-door session.

The Notice of the Special Meeting announced the meeting was to "Consider a legal opinion from the DDA's legal counsel."

The Notice of Closed Session was announced as "To consider and discuss legal matters with DDA attorney."

The *Independent* asked for the DDA's attorney Suzanne Bartos to name the issue to be discussed and she said what was announced was all that was needed. No issue was named.

After a 26-minute closed-door session, the meeting was reopened to the public and DDA member Velon Willis made a motion to accept the legal counsel opinion, which was passed unanimously by those present. The meeting was immediately adjourned.

Chairman Craig Atchinson and secretary Chris Brown were absent and excused. DDA members Vic Delibera, Dawn Chappell, and Willis were late and entered the closed meeting after it had started.

Upcoming Meetings

- Monday, Dec. 19 – Belleville City Council, 7:30 p.m.
- Tuesday, Dec. 20 – Van Buren Township Board of Trustees, 5 p.m. workshop, 6 p.m. regular meeting

Student: Suspicious vehicle at bus stop at Martinsville/Burtrig

On Tuesday, Dec. 6, at 7:41 a.m. the Van Buren Police Department responded to a suspicious incident at the intersection of Martinsville and Burtrig, according to a department news release.

A 12-year-old Van Buren Public Schools' student reported seeing a grey SUV parked at the intersection, which is the student's bus stop. The student, who was to the rear of the SUV, was unable to see or identify any occupants of the grey SUV.

The SUV flashed its headlights four or five times, put the vehicle in reverse and began backing up. The student sought safety by running to a residence. From the residence, the student observed a white pick-up truck pull up next to the grey SUV, as if both

drivers were talking. Both vehicles left together going north on Martinsville.

At no time did the occupant of the grey SUV speak to the student.

The Van Buren Police Department will continue to investigate and monitor the area, said the news release. The department encourages students to be aware of their surroundings and report any unusual activity.

Governor reappoints Michelle Mattison of Belleville to state council

On Dec. 1, Governor Gretchen Whitmer announced appointments to several state boards and commissions, including the Governor's Council on Physical Fitness, Health and Sports.

Michelle C. Mattison of Belleville has been reappointed to that council.

Mattison is the MSW student representative for the National Association of Social Workers Board of Directors. She is also the youth program developer and a yoga instructor for TRiO Upward Bound.

Mrs. Mattison earned a bachelor's degree in psychology and a Master of Social Work from the University of Michigan. Additionally, she holds a Master of Business Administration in Finance from Tiffin University.

Mrs. Mattison is reappointed for a term commencing Dec. 1, 2022 and expiring April 30, 2024.

The Governor's Council on Physical Fitness, Health and Sports was established in 1992 to improve the health of, and increase physical activity among, Michigan residents.

These appointments are not subject to the advice and consent of the Senate.

the board for the final two years of her term. He said applications for the position can be filed in the supervisor's office. McNamara said he wants the person to be someone who has worked as a volunteer or served the township in the past and others wouldn't be considered. "There have been several qualified people who have applied," McNamara said. "The board will make the decision and the person will serve until 2024," he said; and
